

## OYEZ TO THE CALL OF ISIS

Shrine Ladies to Be Feted  
at Banquet Wednesday  
Evening When Order Will  
Be Conferred Under  
Slacked Rules

### Daughters of Isis, Attention!

Whereas: It has come to the notice of the officers of your court, that there are a number of daughters of the desert without the walls of your Temple, being weary of the hot sands and burning sun of the plains, and seeking shelter under Isis' protecting wing.

Now Therefore: Be it decreed that the Daughters of Isis shall assemble at Masonic Hall on Wednesday evening, May 20, at 8 o'clock for the purpose of bidding welcome to these weary Daughters of the Desert, and for such other business as may be brought to your notice.

The date palms will yield up their fruits. Zorn Zorn water and camel's milk will be flowing.

All lady members of a Shrine's family are eligible, whether they belong to El Zarahib Temple or not.

Fall yet not in compliance with this decree, under penalty of being thrice crowned upon by the illustrious Potentate.

Hear ye! Hear ye! Hear ye! and obey or forever hold your peace!

This is the word of illustrious Potentate Shirley Christy, who not only asks all members of the Daughters of Isis, but all wives, mothers, daughters and sisters of Shriners to a royal banquet at Masonic hall, Wednesday evening. The gala fete is but one of the many courtesies planned for the evening. The white fez of the order will be presented with due ceremony to those who care to become daughters, and there will be no initiation fees or annual dues to be considered.

It will mean something to be connected with the Shrine! It will mean a bit more this year than ever before, for in addition to the worth of the society there is the Shrine Sokum Sikus to be taken into account.

Wearers of the white fez will figure quite as prominently in the big event as those who wear the red. While they have been barred from the circus proper and will not loop the loop or appear as "Dare Devil Dicks" they will have their parts to play, which is the popular one of selling peanuts, popcorn and candy. The vendors of sweets will wander through the audience with their wares and add to the gaiety of the occasion.

## FINANCE AND MARKETS

[ASSOCIATED PRESS DISPATCH]  
NEW YORK, May 16.—The most direct influence brought to bear on the stock market today was from abroad. London reported selling there by Paris, which in turn was attributed to unsatisfactory financial conditions in Russia. American stocks were depressed sharply in London. Speculation here lifeless and at the opening the list followed the line of least resistance by easing off to about the level reached in the English market. At the lower range a better demand arose and the decline was quickly cancelled. The movement thereafter was narrow, and variable with a majority of slight losses at the end.

The bank statement did not come up to expectations. A large cash gain was predicted but the amount shown in the actual table was less than \$2,000,000. Trading bonds were quiet. The course of prices was irregular. Some strength appeared in Rock Island collaterals. Total sales of bonds represented a par value of \$910,000. United States 2's registered an advance of 1/2 on call on the week.

## TILLERY IS EASY VICTOR

Beats Boyce and Leaves  
Five Men Tied for Third  
Place in Pocket Billiards  
Tournament—Play-off  
Next Week

When Tillery beat Boyce in the final game of the Class A pocket billiard tournament at the St. Elmo last night, he left five men tied for third place, much to the excitement of the fans and to the honor and glory of Matchmaker and Handicapper Marcus A. Catton.

Miller is in second place and Boyce, Avery, Wood, Brunst and Jayne are all even for third. Tillery beat Boyce with apparent ease. There was a good crowd present, and the matter of fact way in which the leader cleaned up his last opponent astonished everybody.

Boyce, who won last year's tournament was expected to make a whirlwind finish. Had he beaten Tillery, the latter would have remained tied with Miller for first place. The score was 100 to 78.

Miller, second shot winner, played a careful and consistent game all through the tournament.

Play will be started to determine the winners of third and fourth place some time early next week, and as soon as the play off is out of the way, Catton will scheme up a new tournament.

## DREADED CEREMONY SO HESITATED TO MARRY

City Jail Cells Hold Couple Who  
Purge Themselves Through  
Wedding

According to the police who arrested them on Thursday night and lodged them in the city jail, the relations of Juan Acosta and Juanita Rosolo were not in accordance with the law of Moses or that of the state of Arizona. There was a simple charge of disorderly conduct lodged against them. In police court on Friday they denied having been disorderly. In fact, they said they were as quiet as mice and didn't see how that could be construed as disorderly conduct.

It was explained to them that any violation of the peace and dignity of the city was disorderly conduct. Then they admitted they were probably guilty. They said that had they been at home in Mexico they would have been married long ago. They said they rather dreaded the American ceremony and so had postponed the ordeal.

"Would you rather go to jail than to the altar?" asked Judge McBride. "We will get married right away," said Juan, supplementing his promise with mention of the fact that he would like to collect a little money before taking this step.

That's how it happened that Juanita Rosolo occupied a cell in the city jail yesterday until Acosta "rustled" some money. Then in company with City Jailor Perrin they visited the marriage license clerk and Justice C. W. Johnstone. There through an interpreter they said the words that made them man and wife. They went to 60 it all along and both said afterwards they were glad it was over.

## CHANCE FOR CHURCHES TO HELP THEMSELVES

Through the kindness of Eugene Redwell, every church in Phoenix and Salt River valley may earn a small sum of money on the David Bigham concert, which takes place at the Elk's theater on Tuesday May 26. In bringing this artist to Phoenix, Mr. Redwell has guaranteed a large sum of money, and to make certain of securing the amount he has written each church a letter wherein he donates all of his share, or percentage, on each ticket sold to their members on Monday, May 18.

All that is necessary for the churches to do is to make the announcement at the Sunday services that 20 per cent of all tickets sold on Monday will be paid into the treasury of each church on the day following. Of course a large number of each congregation will attend the concert, and the only stipulation to earn the 20 per cent for their church will be to secure their tickets on Monday the 18th. The purchasers will give their name and state which church to give the money to when getting tickets.
